

ADSW01

Door switch | Wall Mounted Enclosures

Item no. ADSW01

Description: Door switch to activate any electrical device (lighting, signalling, alarms, etc.) designed for wall mounted enclosures. Cable entry M20. In stainless steel enclosures, machining is required.

Switch capacity: 3 A / 240 V.

Approvals: CE, EAC, cULus listed.

Pack quantity: 1 piece with mounting accessories.

The door switch will allow lights or other electrical devices to turn on, or off, when the enclosure door is opened without the need for any manual interference.
